## WESTERN HOCKEY LEAGUE

### WESTERN CANADA'S PREMIERE HOCKEY SCHOLARSHIP

The WHL recognizes the importance that parents and players place on education. That is why the WHL and Canada West Universities have teamed up to provide Western Canada's Premiere Hockey Scholarship.

For every season a player plays in the WHL, they receive a full year guaranteed Scholarship, including tuition, textbooks and compulsory fees, to a post-secondary institution of their choice. For example, players graduating from a four-year WHL career are eligible to receive four years of scholarship funding. The WHL Scholarship, combined with additional financial assistance from Universities in Western Canada, makes the WHL - Canada West Universities joint scholarship equivalent to any other offer available in North America today.

Since 1993, Western Hockey League Clubs have provided over 4,900 Scholarships representing an investment in excess of \$18.9 million, making the WHL the leading provider of hockey scholarships in Western Canada.

The WHL Scholarship not only encourages its graduates to pursue a post-secondary education, it also affords graduates the opportunity to continue playing hockey at an elite level in the Canadian University or College systems. Each year over 300 WHL graduates receive a WHL Scholarship.

## PREP U 18 SHOWCASE

### Greetings

On behalf of the Burnaby Winter Club Hockey Academy, it is my distinct pleasure to welcome all the players, coaches, team personnel, officials and, of course most importantly, families to our co-hosted Showcase with Delta Hockey Academy for the Canadian Sports School Hockey League.

The CSSHL was established in 2009. It has grown to become the premiere league in Western Canada for Bantam and Midget aged hockey players. The league's mission is to provide athletes with the opportunity to increase their skills on and off the ice with an outstanding education. Combined with this is the opportunity to train with elite players and coaches who then face each other in high level competition, gaining maximum exposure.

We wish all the teams and their families the best of luck this weekend and throughout the rest of year. Enjoy watching these boys as they play some of the finest hockey around and do so with dignity and class.

Sincerely,

*Maco Balkovec*

Best of Luck!

Re: CSSHL Elite Prep U18 Showcase

On behalf of the Western Hockey League, we would like to wish you the best of luck at the upcoming CSSHL Prep U18s Showcase. It will be an excellent weekend of competition and development, which we are all looking forward to.

The elite level of competition in the CSSHL provides a great environment for development in your athletic career, in addition to the quality of education you will receive from your institution to develop your personal career. The Western Hockey League is proud to partner with the CSSHL, in maintaining our similar values for young athletes.

The WHL is committed to education offering each player a WHL Scholarship Package which is second to none in North America. In the WHL, the Player always comes first and our commitment to each and every individual and their education is a top priority.

We wish you continued success and best of luck!
